S/COM Proposed Changes in MDAC Title I List, Categories A and B,
dated 25 August 1956

Title I List, Category B

Item 1516- "Radio receivers panoramic"
Downgrade to List II as insignificant and not falling
within criteria.

Item 1517 (b) (4)- "Special facilities...."
Downgrade to List II as insignificant and not
falling within criteria.

(5)- "Rapid selection...."
Downgrade to List II as not falling within
criteria.

Item 1572- "Magnetic recorders and/or reproducers"
Downgrade to List II as insignificant and not
directly falling within criteria.

Downgrading of the above items should preferably be to List II,
the next preferences in order being List III and deletion altogether.

Addition

Item 1650- "Copper as follows:"
New subitem (e)

(d) "Copper and copper-base alloy finished and unfinished...."

The Soviet Union Sixth Five-Year Plan calls for a huge build-up in
the extension and capacity of telecommunications facilities requir-
ing a commensurate increase in copper inputs to provide those faci-
lities.

(e) Copper wire, copper clad wire, and copper core wire, finished
and semi-finished, covered and uncovered. (See items 1525 and 1526 for
coaxial and multi-pair cable.)
